Holloway's Dream Garden

—The Home Of—

GOLDEN TETON

—:—:

SILVERY TETON

AND MODERN GLADS

Gage T. Holloway

(1944)

Henry, Nebraska

Give fools their gold and knaves their power;
Let fortune's bubbles rise and fall;

Who sows a field or trains a flower,
Or plants a tree, is more than all.

—John Greenleaf Whittier.

We sincerely appreciate the fine business our good customers and many friends have given us which reflects the unpresidential growth we have enjoyed and it is gratifying to know we have not fallen down in our effort to please you.

The very best of "Flowers" is our wish during this epochal year
And nothing like the modern "Gladiola" to give us the needed cheer.
At last in sheer beauty and greatness they have come to their own
And surely the "National Flower" should be in every garden and home.

"MOON SIGN BOOK"

Valuable publication, 256 pages, annually compiled by Llewellyn Publications, Ltd. Get in harmony with nature—It pays. Do not place dependence in ordinary almanacs. They are seldom astrologically correct, are often misleading and the cause of disappointing failures, when used for planting purposes. As a rule they are not calculated zodiacally and therefore do not give the Moon's signs correctly. Postpaid \$1.00 supplied with bulb orders aggregating \$10.00 net for 75c each, and on orders of \$20.00 or over for 50c each.

MYSTERY—Winner of the American Home Achievement Medal and Award of Merit at Providence, Quebec, 1943. A seedling originated by Mr. A. W. Stinson and introduced by the Perry Lee Nursery. It is a cool pink with a touch of rose in the throat. A large exhibition type with twenty buds, seven to nine open and seven showing color. The florets measure six to seven inches and are moderately frilled and wide open. The flower head is thirty inches long and the height in the field is sixty inches. Bulblet production good and germination excellent. Blooms in ninety days.

Priced: Any size bulb \$4.00. Bulblets are only available with the purchase of bulbs. 3 for each bulb purchased at \$1.80.

—1944 KRUEGER INTRODUCTIONS—

BONNY JEANNE—One of the novel introductions of the year, it produces very heavy ruffled florets of an opalescent white about five inches in size. The flower head is not too long having about fifteen buds with five or six open at a time. Bonny Jeanne is blush white with a pink glow in the throat, and a rose spear on a creamy yellow background.

Priced Each: L. \$5.00 M. \$4.00 S. \$3.00 Bulblets 50c each \$4.00 per ten.

EXEMPLAR—This is a fine addition to the ruffled gladiolus group, a heavy ruffled salmon pink with white median lines, and a cream yellow throat. The substance is very good. It will open seven to nine florets at one time something to be desired in a gladiolus whether for the show bench or the florist. Its habits and beauty make it a good commercial.

Priced: M. \$4.00 S. \$3.00 Bulblets 50c each ten for \$4.00.

—1944 ZIMMER INTRODUCTIONS—

SUMMER GAL—Large shimmering geranium pink with a rose feather in the throat, slightly ruffled with no fleckings. The florets are six or more inches in width, field grown, seven or eight open and four showing color. Has eighteen to twenty buds on a twenty-four inch flower head and attains a height of sixty-five inches. The foliage is dark green and upright, the spike straight with no tendency to crook. Bulblet production is good, germination excellent. It takes eighty days for summer gal to bloom and is a definite contender in the pink class.

Priced: \$10.00 any size bulb.

TINTED TWILIGHT—A pale persian lilac with a cream throat, it has four and one-half inch florets, twenty buds with ten open and ten showing color. The flower head is of average length with a spike of sixty-five inches. The foliage is dark green and healthy. It is a very rapid propagator with excellent germination. This Lavender seedling is from Pythia (one of the parents of Silvery Teton) which was crossed with Mrs. Robert Cunningham. A good one.

\$10.00 any sized bulb.

—1944 LINS INTRODUCTION—

ROBINSON CRUSOE—Large exhibition, strong grower, good propagator. Base color, tan, heavily marbled deep rose. Very attractive.

Large and med. size only \$2.50 each.

—1944 CANINE INTRODUCTION—

JUNIOR MISS—Color deep salmon pink with small cream blotch on lower petal; large five inch florets on a stiff stem in formal placement with as high as ten blooms open at a time, making a magnificent Champion spike.

Large bulbs 3 for \$2.00; 10 bulbs for \$5.00.

1944—CARL FISHER INTRODUCTION—(NOWETA GARDENS)

ROSE O'DAY—(Seedling 1-39) Rosemarie Pfitzer x Dream O'Beauty) (Large For.) (Early) Rose O'Day possesses a most unusual color of rose lavender being several shades more red than Elizabeth the Queen. The color is accentuated with a deeper line in the throat. It opens ten, 6 to 6½ inch florets in a formal double row arrangement on stems straight as an arrow. This stalwart giant possesses excellent habits in every respect growing 5 feet tall with 30 inch flower heads. Produces plenty of bulblets which germinate well. This precision built flower is an exceptionally fine cut flower as it produces well from small bulbs. Last summer we had 4½ foot plants from 5's and 6's. It opens well in water holding its color to the very tip. Few seedlings have given us as much satisfaction as this one.

The above is the originator's description and while we have not grown it, have a reliable tip that this is the real find and highlight of the year, our investment will be heavy and incidentally a few small bulbs will give you the start that should result in much future profit.

Priced Each: Lge. \$3.00 Med. \$2.00 Sml. \$1.00 No bulblets.

SALBACH'S PATENTED VARIETIES—NO DISCOUNT

CALIFORNIA—Big clear geranium pink.

HELEN OF TROY—Very pleasing apricot with reddish brown blotch.

KING OF HEARTS—Giant brilliant light coral red.

The above varieties at the uniform price of: Large bulbs 25c each; 5 for \$1.00; 10 for \$1.85; 50 for \$8.75; Med. bulbs 20c each; 6 for \$1.00; 10 for \$1.60; 50 for \$7.50.

AUSTRALIA AND NEW ZEALAND SPECIAL

Bungana, Caloola, Dauntless, Elanora, Errey's Scarlet, Exquisite, Fascination, Indigo, Killara, Mrs. G. G. Errey, Mualla, Naringal, New Zealand Splendor, Pink Jewel and Rosea. 1-large each of the above 15 varieties which includes some of the most massive Glads in existence for \$10.00. 1-Med. each \$7.00. 1-Small each \$5.00.

RED, WHITE AND BLUE SPECIAL

(Red) Black Panther and Black Diamond; (White) Leading Lady and Casablanca; (Blue) Edvard Grieg and Indigo. 1-Med. each of the entire six varieties for \$3.00 prepaid; 2 collections for \$5.00.

(Red) Mohawk and Amigo; (White) Pacifica and Pearl Harbor; (Blue) Blue Beauty and Blue Admiral. 6 Med. each of the entire six varieties for \$3.00, prepaid; 2 collections for \$5.00.

While the above collections call for Med. sized bulbs, large bulbs will be used when available.

GENERAL PREPAID LIST

Relative to our General Prepaid List: Again you may deduct 25% on orders aggregating \$5.00 or more, mailed not later than March 1; and 20% on orders mailed thereafter, which is equivalent to a cheaper price for the quantity buyer. A 25% deposit will hold your bulbs until Spring. **THESE DISCOUNTS DO NOT APPLY TO OUR WHOLESALE LIST, 1944 INTRODUCTIONS OR SPECIALS.**

We take pride in our reputation of not being outdone by other growers in the inclusion of extras and overcount, however, you will find your shipment even more profitable when you wish to pay transportation on your order. (Please do not overlook special or additional discount on last page that applies to large orders only.

"THE NEW EARLY BLOOMING HARDY CHRYSANTHEMUMS—MUMS"

We have the "Bug" and rightly so, when these fine things represent the greatest advancement in Garden Flowers.

We will retain our position at the top of the ladder in listing the new outstanding varieties, that will represent the "Tops" of your Victory Garden and at a fraction of the price necessary, when costly advertising fan fare is used in dissemination. These new mums are the talk of the country and represent our greatest attraction here.

Shipments will go forward in late April and during the month of May. This is to your advantage, as plants are rooted much better at that time.

Invitation to Membership in ILLINOIS GLADIOLUS SOCIETY

The Illinois Gladiolus Society is one of the foremost state gladiolus societies in this country. Composed mainly of amateur growers and backyard gardeners who have been attracted to the gladiolus because of its wide adaptability to widely varied cultural conditions, the organization is guided by officers elected from the membership annually. The rapid progress being made in gladiolus development in numberless shades, sizes and forms is bringing an increase in membership rapidly.

There are no paid salaries in the organization and the entire income received from membership goes to support the activities of the society which include the publication of THE NOTEBOOK, a quarterly publication sent to all members, the entire contents of which are devoted to gladiolus growing, breeding and showing. THE NOTEBOOK alone is well worth the cost of membership as shown by a membership list extending over 17 states last year from coast to coast. One of the editors is Paul Wood, of Ottawa, Ill., who won nationwide recognition as Grand Champion winner at both the Midwest and Illinois State Shows in successive weeks in 1941, showing in beginner's classes as both shows.

Besides the publication, all members are invited to participate in all activities which included 5 shows in Illinois last year. These shows were held in Champaign, Springfield, Momence, Deerfield and Ottawa, in order to make them accessible to as many people as possible.

No members are required to take part in any activities. You can get your money's worth from the publications alone, and the opportunity for help from the state office, if desired. Our secretary, Dr. Don B. Creager, Research Pathologist with the Illinois Natural History Survey, specializes in gladiolus disease research, for example.

Membership dues are only \$1.00. The fiscal year starts October 1 of each year. Members joining after that month will receive all publications of the current year. Join ILLINOIS GLADIOLUS SOCIETY today, won't you? You will be cordially welcomed. Tear off the coupon below and mail with a dollar bill, check or money order.

(Tear Off Here and Mail Today)

Dr. D. B. CREAGER, Secretary,
ILLINOIS GLADIOLUS SOCIETY,
507 N. New St., Champaign, Ill.

Date....., 1944

Dear Sir: Please enter my membership in ILLINOIS GLADIOLUS SOCIETY for the current fiscal year which runs to September 30, 1944. It is understood that I will have full membership privileges and receive the society publications as issued, including any for the current year which were published before my membership was received.

I enclose \$1.00 in (Cash.....), (Check.....), (Money Order.....)

This invitation to membership distributed through the courtesy of:

(City and State).....

GLADIOLUS CULTURAL NOTES

Prepared by Illinois Gladiolus Society, including latest recommendations for disease and insect pest control

After bulbs* are purchased, bags should be opened to admit air. Keep them in a cool place until planting time which can be as soon as the frost is out of the ground. Plantings can be continued at weekly intervals to insure succession of bloom until about July 1.

Select the planting site carefully. Full sun is desirable and get as far away from buildings and trees as you can. Glads will grow well in any good garden soil but are very responsive to extra attention. Fall plowing or spading with old rotten cow manure turned under is ideal. Otherwise spring spading is satisfactory. Spade deeply and turn under rotten cow manure if you can get it. Otherwise, use a good grade of commercial fertilizer. Good growers have their pet methods of applying the fertilizer to secure fine blooms. One good method is to dig a trench about 7 inches deep, apply a heavy dusting of fertilizer in the bottom of the trench, cover with about 2 inches of soil, and plant your bulbs on top of this. Bulbs may be placed very closely together if space is limited. Best results will probably be secured if 7 to 10 inches is allowed between the bulbs. Cover the bulbs with the remaining soil from the trench. Rows may be made 18 inches to 30 inches apart, depending on space available.

With a normal season, little or no watering will be needed until the stem starts to thicken. From then until blooming time, the ground should be kept moist in order to secure the finest, most luxuriant blooms. A side dressing of complete fertilizer applied beside the rows at about the time watering is started may be advisable.

If flowers are desired for cutting, best results are had by cutting in the morning when the first blooms open. (Leave at least four leaves on the plant so the bulb will develop well for next year.) Take to the cool basement and place in cool water for a few hours. Your spike will be at its very best the following morning, and will continue to open flowers for several days if you will cut off a little of the stem on a slant each morning.

About 6 weeks to 2 months after blooming the leaves will begin to yellow as the new bulb matures. Dig the bulb before the plant dies down entirely, cut off the tops **CLOSE TO THE BULB**, store in a shady place for a few days, until dry. In about two or three weeks, depending on the rate of drying, the old bulbs will come off easily and the clean new bulb is ready for winter storage. A cool dry place with a 40 to 45 degree storage is ideal. See that the bulbs are open to the air at all times.

Insect Pests: Thrips are about the only insect likely to cause injury to gladiolus. They are tiny black insects about 1/25th of an inch long and hard to see. They travel with the wind and may get to your garden from that of a neighbor. They suck the juice from the tender flower spike and the flowers may fail to open. Fortunately they are easy to control if steps are taken early. The recommended spray is two tablespoons of Tartar Emetic and 4 ounces of brown sugar to 3 gallons of water. Apply in a fine spray at about 10-day intervals, starting when the plants are about 6 inches high. Paris Green may be substituted for the Tartar Emetic, and 8 ounces of corn syrup may be used instead of the brown sugar.

Disease Control: Recommendations based on extensive research by Dr. D. B. Creager, Research Pathologist, Illinois Natural History Survey, and Secretary, Illinois Gladiolus Society, call for soaking bulbs immediately before planting in a preparation made by mixing 1 teaspoonful Cresol Solution Compound (U.S.P. XI) with each quart of water. Soak for 3 hours **JUST BEFORE PLANTING**. (The proprietary compound Lysol can be substituted for Cresol Solution Compound with equally satisfactory results.) Yearly soaking of the bulbs will do much to keep your stock healthy and free from soil born diseases.

For more complete information on culture, varieties, hybridizing, and news of gladiolus shows and winnings, join a good gladiolus society.

*The word "bulb" is used in the popular sense. Technically, the gladiolus grows from a corm.

(OVER)

We seldom divide our own until early June; they are a mass of bloom in the Fall and seem to bloom at the same time as early planting.

Introductions, mostly in the years 1939-1941 inclusive; representing many of our own seedlings—Priced 20c each; 10 for \$1.50 prepaid.

Wholesale—Not less than five of one variety—50 for \$5.00; 100 for \$7.00, Express Collect. (You will note that many of these fine varieties sell much higher elsewhere.) We have a habit of being generous with our extras. Mention a few you would like, to avoid duplication of those you may have.

Algonquin, the best double deep yellow	Tall	Oct. 10
Autumn Lights, new outstanding double bronze	Low	Sept. 15
Baby Pink, very good large double pink	Tall	Sept. 20
Bella Red, nice semi-double dark red	Tall	Oct. 5
Bronze Cushion, bronze azaleamum	Low	Sept.
Capt. John Smith, nice large double pink	Med.	Oct. 10
Cheyenne, good double white	Tall	Oct. 1
Clara Curtis, single deep pink	Low	Sept.
Dean Kay, improved semi-double rose pink	Med.	Sept.
Egg Shell, large double, distinct eggshell shade	Tall	Oct. 5
Early Pink, new beautiful semi-double	Med.	Sept.
Early Red, another new beautiful semi-double	Med.	Sept.
Jean Treadway, double two-toned soft pink	Tall	Oct. 1
Indian Summer, good double bronze	Tall	Oct.
L'Argentuillais, fine large double two-toned bronze	Med.	Aug.
Laramie, tall double pink	Tall	Sept.
Lavender Lady, lavender pink	Med.	Sept.
Lucie, double light pink	Tall	Oct. 5
Manantico, very nice single rose red	Med.	Sept.
Modernistic, fine deep double rose	Tall	Oct.
New Philadelphia, purplish red, semi-double	Tall	Oct. 15
Pink Bouquet, very large single pink, rightly named	Tall	Sept.
Pink Cushion, Pink Azaleamum	Low	Aug.
Pohatcong, very good, double tall pink	Tall	Oct. 10
Rose Glow, nice double rose	Med.	Oct.
Rose Marie, large double rose	Med.	Oct.
Ruth Marion Hatton, superb double yellow	Tall	Oct.
Snowclad, new large outstanding double white	Med.	Oct.
Sowancee, early double white	Tall	Sept.
Susie, burnt orange, large semi-double	Med.	Oct. 10
Thorp, large double, single rose	Med.	Oct. 5
Uinta, fine semi-double bronze	Med.	Oct.
Vulcan, the best Korean, single light red	Med.	Sept. 30
White Cushion, white azaleamum	Low	Aug.
White Gull, double white	Low	Sept.
Winooski, cream white, semi-double	Med.	Oct.
Youdash's Rose, splendid double rose	Med.	Sept.
Youdash's White—Lovely double white	Med.	Oct.
Youdash's Vivid, large vivid red	Med.	Oct. 20
Ogallala, new fine bronze	Med.	Sept.
Osage, new pink and white, lavender edge	Med.	Oct.
No. 60, lovely double bronze (in great demand)	Med.	Sept.
"Northland Daisies"—the Hardest Single Mums—		
Kristina, pink		Oct.
Siegfried, yellow		Oct.
Viking, burnt orange		Oct.

NEW AND RARE ITEMS—Mostly 1942 and 1943 Introductions—(List No. 2.)

Priced 30c each; 10 for \$2.50 prepaid. Wholesale, not less than five of one variety, 50 for \$10.00; 100 for \$15.00 express collect.

Albert Muller—Double apricot yellow suffused with pink	Med.	Oct. 1
Amber Glow—Lovely pastel peach with pink and richer amber	Tall	Oct. 10
Amoskeag—Splendid double bronze	Low	Oct. 1
Anna Hay—Very early semi-double rose	Med.	Sept.
Avalanche—Large beautiful pure white	Tall	Oct. 10
Bonfire—Lovely new deep red	Tall	Oct. 5
Bronze Maid Cushion—Huge true peach and light bronze	Low	Sept.
Caliph—Iridescent bright double red	Tall	Oct. 5
Champion Cushion—New deep bronze red, yellow center (Azaleamum)	Low	Sept.
Commander Cushion—New lovely red, yellow center (Azaleamum)	Low	Sept.
Dean Ladd—Beautiful semi-double red bronze	Tall	Sept. 1
Garden Queen—New creamy yellow, crimson and rose	Med.	Sept.
Golden Treasure—New double large deep yellow	Med.	Oct.
Harmony—New double red and yellow	Med.	Oct.
Jewelry—Lovely deep rose pompom	Low	Oct.
Little Bob—Short brick red, button type	Low	Oct.
Major Cushion—Fine new double bright lavender pink (Azaleamum)	Low	Sept.
Mrs. C. P. Hastings—Striking single strawberry red	Med.	Oct. 15

Mrs. Dupont—Large double apricot yellow suffused with bronze	Tall	Oct.
My Lady—Pale orange yellow	Med.	Sept.
Ohio Moon—Delicate pale yellow, large gold center	Low	Oct.
Oriental—Double pink and cream, Oriental sheik	Tall	Sept.
Pamona—Early rich golden bronze, straw yellow reverse	Tall	Oct. 5
Pocahontas—Large double deep bronze excellent	Low	Oct. 10

Med. height, double and semi-double $3\frac{1}{2}$ inch flowers. Yellow Spoon, Orchid Spoon, Rose Spoon, Pink Spoon and Golden Spoon. (Priced the same as the above items)

COLLECTION NO. 15—PREPAID

30 divisions, 15 or more assorted, of the best named and numbered varieties introduced prior to the year 1942 and comprising items from List No. 1 for \$3.00; 100 divisions 25 or more assorted for \$7.00 (all labeled separately.)

COLLECTION NO. 25—PREPAID

20 divisions, 10 or more assorted, mostly 1942 and 1943 introductions, comprising items from List No. 2, labeled, all different from Collection No. 15 for \$3.00; 100 divisions, 25 or more assorted, all new ones, for \$10.00. In the event those ordering this collection would like a few items in List No. 1, kindly mention them and they will be included extra. Incidentally, this collection (100 div.) will represent "The outstanding complete Mum Garden of the Year."

"THE SO-CALLED AZALEAMUMS"—Recent Introductions—Prepaid.

Commander Cushion, Champion Cushion, Major Cushion, Prince Cushion, Red Cushion and Yellow Sport Cushion; three each of these six new outstanding Cushion Mums for \$3.00. These grand new Azaleamums are by far the finest introductions to date and sold elsewhere under other names at a fabulous price.

"HARDY SPOON MUM COLLECTION—Prepaid"

Yellow Spoon, Orchid Spoon, Rose Spoon, Pink Spoon and Golden Spoon. Two each of these five new type Spoon Mums for \$2.00.

—FALL SPECIALS—

Peonies, Iris, Eremurus, Hemerocallis, Poppies, Tulips, Narcissus etc. Extensive assortment of the modern "up to the minute" varieties. Ask for list.

—ADDITIONAL DISCOUNT—

Deduct 10% on all orders that net \$50.00 or over. This represents a good break for customers of large requirements or those interested in new introductions or purchase from the Wholesale List. Stocks are none too plentiful in some items and perhaps a good plan to take them off the "Assembly Line" early to avoid disappointment. We wish you a most successful year, and may your garden be enriched with the beauty that only the best of flowers can give you.
